Join us for fellowshipping in the great outdoors!

We will be gathering Friday afternoon and packing up Sunday morning.

Saturday night dinner and Sunday morning pastries will be provided by the group.

Be sure to be prepared for all 4 seasons in one weekend although we are expecting the weather to be really nice, you never know when it comes to the Uinta mountains.

Stillwater is located about 30 miles outside of Evanston. Head down Hwy 150 So and follow for about 30 miles. You will turn left approximately 1 mile past the ranger station. Our group will have Basic Text blue NA signs out to point you in the right direction.
